INST-RP-FASTEN

### **Contents**

- 1 x Fan
- 1 x Radius Template
- 1 x Installation & Maintenance Instructions
- 4 x Self tapping 10g x 40mm screws  
(coloured to match fan)
- 4 x Plasterboard anchors

### **Installation**

Use radius template to mark hole for cutout. Punch pen through marker for appropriate size fan.

To fasten fan into plasterboard, drill four 8mm holes using fan as a guide. Insert anchors into drilled holes in plasterboard and use screws supplied to fasten fan. For installation into other materials use appropriate plugs or anchors to affix fan using the supplied screws
